# ADOPT-A-MODEL!

Edison Job Corps students will be hosting a FASHION SHOW (tentatively) on Thursday, Sept 13, 2012 at 6:00pm at Edison Job Corps and need your help with donating gently worn and/or new clothing items to make the show a huge success!

Through our adopt-a-model program you will receive (via email) size and style information for a male or female student model, then by **August 31st** we ask that you drop off your donated clothing to Edison Job Corps (Attn: Deputy Director, Windy White) so that your adopted model is ready to walk the runway!
